Semestre	Semestre 1	Nombre d'ECTS	4 ECTS
Volume d'heures	18 heures	Modalités d'examens	A définir
Descriptif	This course offers a historical perspective on the development of the European Union and its close associates yet not formally members of the Union. The EU is usually approached/studied as an administrative and legal construct. In this lecture series by contrast, the emergence and development of this singular polity will be examined in the variety of its manifestations, economic as well as political and cultural.
