

History of social and solidarity economy

Presentation

This class is an introduction to the history of social and solidarity economy from the 19th century to today. It aims to enable students to identify, understand and discuss the issues and challenges facing the SSE field, through an examination of changes in its organizations and practices, of its institutionalization processes and of the ideas it produces.

In brief

ECTS credits : 3.0

Number of hours : 18.0

Teaching term : Six-monthly

Teaching activity : Lecture course

Year : Fourth year

Validation : Continuous assessment

Formule pédagogique

The teaching method is based on participation, facilitated by the introduction of a few reference texts which serve as a basis for discussions with and between students. A framework provided by the teacher will help to structure the students' knowledge.
