

Monitoring / Management control

Presentation

This class takes place in the second semester and is intended for students in the GEO Masters course (Year 4). The goal is for students to apply the knowledge acquired through the monitoring/management control class held in the first semester. The aim is also to reinforce the knowledge acquired through the financial analysis class and method conference held in the first semester and to help students develop their command of management mechanisms, in preparation for their application for the Masters 2 program at IAE Bordeaux.

In brief

ECTS credits : 3.0

Number of hours : 18.0

Teaching term : Six-monthly

Teaching activity : Method seminar
