

Comparative politics

Presentation

This class aims to reexamine the major themes of political sociology from a comparative perspective. How do the comparative approach and the choices for comparison influence the analyses produced? How well do theories and analytical frameworks developed in specific fields and contexts apply to other environments, especially outside the Western world?

In brief

ECTS credits : 3.0

Number of hours : 18.0

Teaching term : Six-monthly

Teaching activity : Lecture course

Year : Fourth year

Validation : Final written examination
